I have a two-page speech prepared for you. Ang problema is this is a run-of-the-mill sa grid. Ibig sabihin somebody will just you know give his ideas to the typewriter and the typewriter will just print it.

But there are some circumstances or events that I would like to say something to you.

Unang-una, thank you for this honor and the show of your camaraderie with the --- with me as a government worker like you.

You know I am not fond of calling this name place by its name, I always say “my office”. A little bit --- for a probinsyano kasi and I do not --- you’ve never heard me address myself as “president” or “presidentiable” or “the presidency.” I always say that we are all workers in government and we work for the people, period.

Now para maintindihan ho ninyo ako, during the elections I had but --- kakaunti po. There were contributions but it was not really enough to run an enterprise like a campaign na kulang ‘yung...

So I just well as I said, I received the money, the campaign contributions, I go in and out of the city but wala talaga akong organized... You know the PDP was really moribund.

Were it not for the ‘yung father and son, wala naman talaga ‘yan. I’m not talking about politics, I’m talking about the vignettes of life.

So naging presidente po ako but I did not expect even to win much more earned that so many million votes --- plus six million over my closest opponent.

So the one who kept faith in me sila General Esperon and mind you si Faeldon, they went back and forth sa Davao to convince me to run. And Mon Tulfo, and Sal Panelo and Calida and --- well lahat ng nakakilala sa akin.

You know sa totoo lang and please do not be offended, kung pabalikin ako gusto ko na lang talaga mag --- maybe for the last time --- kasi I did not want to leave Davao.
And Inday, ‘yung anak ko na mayor, ayaw rin niya. She had been through nine years and she’s kind of almost pissed off if I can characterize her behavior.

Kaya sabi ko anyway ayaw ko talaga sabi ko, wala akong pera pati the --- the position does not interest me at all.

I don’t know if you’d believe me because I’ve been mayor for 23 years, then a congressman for one year, then a vice mayor to my daughter. And all in all, if God willing, in the years of my being a prosecutor, you add it all it comes to like 40 years in the service of my country.

Ayaw ko na talaga kasi pagod na rin ako. And I know that time was up for me. Siguro pagdating mo ng 70 years old wala na ‘yan.

I had nga my... You know the other --- about three weeks ago, I had my endoscopy and colonoscopy. Then, I was about to have a... Sana ngayon Cabinet meeting ‘yung yesterday but ‘yung reading ng akin ano... Somebody advised my doctor just also to repeat and get some samples there both dito uli. So I stayed there for one hour sa Cardinal Santos.

So hindi ko pa masabi kung meron ba talaga akong tama o wala. But I have this Barrett and it has been bothering me since --- ever since --- dahil nga sa inom rin.

Well there are people predisposed to Barrett kasi ‘yung hindi nagsasara ‘yung ano mo pagka... Alam mo ‘pag nakahiga ka, when you lie down, there is that cap na nagsasara rin so the acid of the stomach does not reach the esophagus. Corrosive ‘yan eh. This one is built with [starn?] grinding and digesting, but ito dito hindi.

That’s why if you get there ‘yung parang gumaganun ka sa umaga that’s GERD, reflux, napabayaan ko sir kasi ano hindi ako nahinto ng inom. Kaya nga wala na eh ang pagsisisi ganun na lang eh. It always comes late.

So it got worse. I don’t know where --- where I’m now physically but I have to wait for that... But I would tell you that --- if it’s cancer, it’s cancer. And if it’s third stage, no more treatment. I will not prolong my agony in this office or anywhere.

Ang... Nanalo ako sir even during the presidential debates I’m sure that many of you had seen it. Wala man akong masyadong sinabi because at one minute 30 seconds it was really a foolish. Alam mo ‘yung mga ganun na klaseng ano sabihin ko sa iyo para lang ‘yan sa mga --- for the --- negosyo ‘yan eh.

When you allow debates, you allow sufficient time for the candidates to expound and explain and justify. But one minute six seconds, pang-negosyo lang ‘yan sir, sa totoo lang. Pangne --- wala talaga.

So I had bullets only. Being a trial lawyer, I know the constraints of time. So ang bullet ko was that I’ll stop corruption, if I can. Then sa drugs, which was the most pressing and urgent problem for all of us here. Then that I will talk to the enemies of the state so that we can save lives. And I will not f*** with the money of the people and I will do everything to just invite business.

I think sir that maybe dito sa fifth, less because of the dynamics of our country. At ako naman I am trying to explain to everybody and you would notice it that every time there is an increase in oil, everything increases. That’s what about --- inflation is all about.
Wala man akong masabi but I assume for responsibility for the rising prices because I am the --- I am here. I am the worker assigned here to answer for all of these things. Wala man rin akong magawa na every time there’s a rise of oil, everything also rises. Pero itong sa --- dito ako sir mag-concentrate sa corruption. I am doing it. For God’s sake, I am doing it.

So much so na ayaw kong ma-contaminate ako. And I assure you and you can ask all the Cabinet members present --- diyan sila nandito almost all, General Año, General Lorenzana, si General Esperon --- I do not allow transactions of government to reach my table here or in the house across.

Wala ako sir hinahawakan. Kaya I can tell you bluntly wala silang makita sa akin ni piso because I do not sign any transaction be it MRT, LRT, reclamation or whatever, purchase of arms, it’s Lorenzana’s territory --- ah no DILG.

Nandito sila sir pati si General Galvez, I do not call anybody. I have not called him since he --- si General Galvez. I have not called Esperon. I have not called Delfin Lorenzana, even for a talk. I have not called General Año.

The only time that I asked him questions is ‘pag ipatawag ko sila if I have an urgent or immediate situation. But I do not --- kasi...

And you can listen to the tapes. Kasi alam ko ang ISAFP, pati ang ISAFP isali mo ako kasi you know I’m a politician and I talk with everybody especially so.

Kaya dito ‘yung nangyari sa frigate, ganito ‘yan eh: I told everybody, every businessman na kung ang reklamo mo graft and corruption, you can come to me anytime dito sa Malacañan and tell me about it.

So kaya ‘yung nag-deliver ng ano --- he was complaining bakit wala pang order to deliver. That was his only complaint here. So I entertained him because lahat ng mga tao na may reklamo ng ganun, lalo na graft and corruption.

So pumunta dito and si Secretary Lorenzana naman signed it referring it to the legal. Tapos somebody got hold of it and made --- wala naman ‘yung frigate na. Tapos naman ‘yun.

When everything was done... Kaya nga sabi ko tuloy kay Bong when he was summoned by the Senate and they said that they wanted a closed-door.

Sabi ko, “Bong, huwag kang pumayag. Sabihin mo sa kanila, ‘I will not go there if it is a closed-door meeting. Whoever gets hurt there, we have no --- in connection with it.’ Open and --- huwag kang pumayag nang marami pang speculative.” They can always weave tales. Ganun ‘yan eh. So open.
Wala akong ano --- that’s the first encounter lang sir na ano. And the frigate, it was complete, it was delivered. We have nothing to do with it. Kaya ang sa corruption, hinahabol ko talaga lahat.

I just fired a general sa --- kasi... Well, command responsibility if he had nothing to do with it. But the problem is, matisi ko pa siguro ‘yang conversion-conversion sa gasolina pati spare part. Pero ‘yung medisina ng pulis nako po pati sa sundalo.

You know, I’ve been to Marawi nine times during the war. And I used to go to the makeshift --- anong ospital doon. I could see the soldiers slowly bleeding.

Kaya talaga ako nagalit. Talagang... Whoever fault it is, I don’t give a d***. If there was a ghost delivery, there was a ghost there. Somebody has to answer for it. Kaya I fired --- command con --- command responsibility mo.

And to think that it was medicines. Kung gasolina lang ‘yun, siguro kalimutan ko ‘yan. Do not do it again. Parang ganun.

Ako ganun sa Davao. Pagka ‘yung ano lang. Pero as serious as --- tapos ghost delivery. Ah, talagang away ang abutin natin dito. Wala akong magawa. I cannot for the life of me...

Sabi ko, huwag ninyong laruan ‘yang ano, ‘yung medisina. Because I’ve been mayor and I’ve seen many of my countrymen dying na ano walang mga ganun-ganun.

But you know, you have been to Davao and look at Davao. Hindi naman --- hindi... It’s not extra safe but Davao is really --- it’s clean, it’s progressing, it’s earning nine percent, the highest in the country for a local government in a local economy.

That’s my legacy to the --- kaya ayaw kong bitawan. One of the reasons why I did not like to run because ayaw kong bitawan, takot ako. Because my daughter, ayaw na niyang tumakbo as mayor. Doon nagka-|****-|**** until na ‘yung deadline. Ayaw talaga ni Inday eh.

Ito si Bong, sabi ko, “Bong, huwag ka sigeg sitsit sa akin dito.” Iyon talagang pressure na grabe na, I was --- “Okay, I’ll think about it.”
But when we asked Inday to run, sabi ni Inday, “No, no, no, no, no, you are too presumptuous.” Nagka-problema, sinabi ko sa kanilang lahat. Lahat sila, pati si ano...

I will not run if Davao is left to somebody else. Sayang ang pagod ko sir eh. Sayang talaga. Pumatay ako, pinagastos ako ng panahon.

I remember campaigning. I remember being hostage by the NPA. I remember I was tried in a kangaroo court. And all ang sakripisyo ko while I was going up, manghinayang ako.

And I thought at that time --- when an M-14 was nakatutok diyan sa Paradise Embac. I thought --- ang naisip ko lang was my wife who was pregnant with itong si Sebastian. Turned out to be wala man ring ginawa kung hindi magbabae. Buti na lang sana nag-suicide na rin ako. Nakukunsume ako nito. Tsk.

Anyway, ayaw ko talagang umoo sa... So they were able to convince Inday to run. I don’t know the reason also why. But ’yung nag-inauguration kami dito sir, believe it or not, makita mo man sa stamp received. Her resignation letter resigning as mayor of Davao City. P*****, nagsakit ang ulo ko, nagmartsa-martsa kami diyan sir. May problema ako noon kay Inday. Nag-resign talaga ’yan. Pinagbigyan niya ako. Sabi niya, “O pinagbigyan ko na kayo, tumakbo ako.”

Tapos si --- sabagay si --- ang Vice Mayor si Pulong. But you know. Ang pinili ng tao siya, hindi naman ’yung kapatid eh. Naproblema ako buti’t na lang I prevailed upon her. Ayaw talaga.

Kaya ’yang si Inday, she’s just shaking the tree. Ginauyog lang niya ’yung --- - alam mo... Maldita ’yan eh. Tapos sabihin mo magtakbo ng presidente, maniwala ka diyan. Huwag kayong --- ’yung iba kasi “ah si Inday presidente.” Kalokohan ’yan. She will not run for --- wise pa sa lahat ng wise ’yan. She was just shaking the tree.

So ako nandito sir, I’m trying to best. I am against co --- lahat na pati ’yung Nayong Pilipino until now walang trabahante ’yan.

Hasta pati ’yung --- pero na-announce ko naman, the next DSWD Secretary was just about a few days --- General Del Rosario, si Ed. Ay hindi si ano si Rolly pala, Rolly Bautista. [applause]
Si ano pala ‘yung inutusan ko para sa mechanized division kaya ‘yung --- I was talking to... Rolly --- si ano, si Ed Del Rosario to help the mechanized brigade. Sorry. Sorry, Secretary. [laughter] Tsk, t*** i** naman magkakaproblema.

Now, you might ask, why are there so military men? They’ll say, “Hindi nagpapaano lang ‘yan --- assure his ano para...” Ako? Ako, I was elected by the people. The Armed Forces, may mandate kayo. Ang police, may mandate. So what’s my problem? You want me out? If you’re ready to violate the Constitution, fine.

But sabi ko, I will not resist ‘yung magsabi na --- sabi ko, do not create that spectacle because you look stupid to me, na you want to fight me? If you want to fight me, ‘di tayo na lang. Maghanap kayo diyan nang pinakamagandang mag-draw. Why would I ask my military to defend me and to kill also your fellow soldiers?

Sabi ko nga all you have to do is to come here, the major commands. If you feel like having coffee with me, then tell me and I will go down.

Then I would say --- I will announce, “I am, was deposed a moment ago by the Armed Forces of the Philippines and the Police. They are now the ruling junta of the Philippines. I am going to personally swear them to office. ‘Please raise your right hand.’ ‘I, I, lieutenant o general, having deposed the President thereby assume as a member of the junta.’” O sige. P*** submarine ninyo ‘yung p***** i**.

The one that you’re trying to get rid of really wants to go out. If you want to give me a reason --- pero I will not resign to give it to...

Sa totoo lang sir, even her --- ‘yung public statements, I do not mean to offend the lady. She’s very good. She’s gentle. Pero mahina talaga si Leni.
Walang... She cannot --- may sitwasyon ka, nag-decide ako, wala. Mali-mali ang --- mali-mali ang --- medyo mahina, mahina ang...

Hindi mahina ‘yung utak, pumasak na bar eh. Mahina sa diskarte. And ang sasakay niyan --- ‘yung left was repudiated.

So why would I give it to the left? Why would I give it to the yellow? Kayong mga ano dito na mga Reds hindi man --- hindi man ako. The NPAs of Mindanao supported me. I was dealing with them all these years, I had to. I am the mayor. Hindi na ako makapasok sa bukid. And how can I protect my projects diyan kung hindi ko sabihin, “P***** j** huwag mong gawain ‘yan. Do not --- that’s for the people?”

And the military knew, the intelligence alam ninyo that labas-pasok ako sa... But you know, what was also the dividends? Lahat ng army, lahat ng pulis nacapture sa Mindanao nakuha ko. That was the --- alam ni... Ayun o si Año kay intelligence ‘yan, 75th noon, si --- sila, alam nila.

Iyong droga sir, hindi talaga ako bibitaw diyan. As I have told you, even if it would cost me my life, my honor, and the presidency. Pagka bumigay ako dito sa droga, kawawa ang Pilipino.

Noon kilo-kilo lang ang kita mo bilyon. Tapos meron pa ngayon na --- ito daw si isang Michael Yang na drug addict daw, who is a... T*** j** drug Michael Yang, ang ambassador ng China diyan natutulog sa bahay niya. At saka kasama ‘yan doon sa entourage ni Premier of China.

Kanya na ‘yang lahat puro department store. Pumunta ‘yan siya sa Davao sir, nag-command conference kami si Sid pa noon, Lapeña. Lumapit siya. There was a command conference there sabi ko sa kanya na --- sabi niya kung gusto ba niya mag-ano ako, magpasok ako ng mga negosyante? Sabi

And he became close to the --- to the... Kaya kapag nandiyan si ano, nandiyan ‘yan siya. I don’t I --- hindi ko talaga alam ang laro niyan ha. He could be... Sabihin mo drug addict ah drug pusher... Ngayon lang ‘yan may nilabas na dose na ---[Desierto?] will expose... “Go ahead,” sabi ko. And you’d be surprised, buuhin ka ng Chinese government diyan.

Pero kung sabihin mo ‘yung Michael Yang lalabas ni... Hindi ‘yan totoo. Matagal na ‘yan sa Davao.

Sabi ko nga doon sa command conference --- sabi ko na ano, “Mag-negosyo ka dito?” Sabi ko --- these are my exact words, “P***** j*** mo. Do not f*** with drugs because I will bury you alive.” ‘Yun talaga ang warning ko diyan.

Pero may ma... Ang duda ko ‘yung parang ano eh mga negosyante na kasama niya, pati si Ambassador. Tsaka ‘yung pagdating ni Premier nandito ‘yan. He was a member of that entourage. Maloko mo kaya ang China? Ang China man naga-sabi sa atin na...

At any given time, there are about 10,000 Chinese walking around. Do not be also too sensitive about it because my grandfather was a Chinese. Ang nan --- ang lola ko Maranao. So huwag kayong magduda sa akin ha. I’m not protecting any Chinese there.
Tapos itong droga wala na, hindi talaga ako bibitaw diyan kasi ang --- ito 'yung... This is what I told Davao City guys at you can check it with --- nandiyan man sila --- you could check it with Delfin Lorenzana. He was there already 'yung 75th kay siya man una. He brought the ranger battalion there.

Sabi ko talaga at the start, “Do not destroy the city which I’m desperately trying to rehabilitate. I will make it comfortable for everybody. Once you try to destroy that, I will kill you. Do not destroy the young of my land because they are our assets --- our only assets. ‘Pag ginalaw ninyo iyong mga anak namin, papatayin ko talaga kayo.”

My orders, you heard it. I never said, “Kill Jimmy Santos, kill Sergio Mendez.” I just ordered police and the military to go after the drug industry, eradicate drugs, destroy the apparatus, destroy the operations, and if you have to kill because your life is in danger, go ahead and shoot and you will have my protection sinabi ko.

And I will never allow any soldier or policemen whether in drugs or something else. And if you do it in the line of duty --- in the performance of your duty --- I will protect you.

That what got me into trouble because itong mga Human Rights, it was an open order season. Wala akong pakialam sa inyo. This is not your country. After all, pagka bumagsak itong Pilipinas, I’ll be remembered in history as the son of a b**** who did nothing for his country. I would rather go to prison.

Ngayon, kayo? Sabi ko nga eh anybody here, any soldier or police facing charges without a lawyer, meron akong opisina dito may mga pulis pati may mga sundalo. They are at --- they... You can call that office and tell them about your problem. Legal, bigyan kita ng ano. Wala kang sweldo? Ako ang mag-sweldo sa iyo. That’s what I did. You ask any policeman in Davao.

Sabi ko, “Sige, pagka ako ang magbayad sa abogado mo, pati ako ang mag-sweldo sa’yo, magkano ang take-home pay mo?”
Kaya ang pulis maraming patay kasi nagta-trabaho. In the same manner, without just attributing it to any particular term... Kita mo sabi, “Walang patay? Ba’t panahon ni Duterte namatay?” Kasi ang pulis kabado ng kasao.

Kasi ‘pag once nandiyan ‘yan, pa-filan (file) ang pulis ng kasao, p***** i**. Whether you like it or not, if there is a case: people of the Philippines against sergeant... ‘Pag na-file ‘yang kasao na ‘yan, whether that guy is really clean or not, he’s suspended and he goes hungry together with his family. Wala ng pagkain sa lamesa, tapos wala na. Ang schooling ng mga bata tapos na. Iyan. Kaya diyan ako mainit sa kanila, diyan ako mainit.

You know ang overseas workers natin, in some tribes --- hindi ko sinasabi all ha --- some tribes of Arabs, if you work for them as a slave bought from the slave markets of Africa or the Middle East, or if you are a paid --- he can abuse you to no end.

Gagamitin ka ng amo mo, anak mga lalaki, pati mga pinsan. And they endure... Kay p***** i** masakit ‘yan. Papatayin ko talaga ‘yang mga y*** na ‘yan.

Kaya sabi ko, “P***** i** this has to stop.” Kaya ‘yung sa Kuwait, sabi ko, “Huwag mo akong takutin. I --- we are poor but I will --- I will borrow, steal money makauwi lang ‘yang mga kababayan ko.”

Kaya sabi ko nga... Ngayon okay na. Sabi ko ito, they have a bakasyon once a week, ‘yung cellphone nila walang kuha, ‘yung travel nila papers, passport walang... Sabi ko walang abuses tapos makaluto sila ng pagkain nila.

Kay ako naman nitong mga Cebu Pacific pati PAL, galit ako noon sa kanila. I never accepted their money anyway. Kaya ako kaya kong b***s***** pati ABS.

Kung mag-criticize sa atin sa gobyerno, akala mo mga --- we are brigands. P*** sila nga ‘yung --- ABS, remember during the time of Marcos, Lopez group of companies borrowed heavily from DBP. Sikat ‘yung DBP noon. P***** j**, at the end of the day, kinondone (condone) ‘yung utang. Kaya dumive (dive) ‘yung DBP. Condone.

Kaya tingnan mo sabi ko kay Gabby, “P***** j** mo mukha kang pera.” Kinuha pa namin ‘yung pera namin para pang-advertise. Late na dumating kasi number four man ako sa survey, ‘di number four lang din ang contribution nila.

Ngayon, it's back. It's earning. Sabi ko kay Sonny Dominguez, "find a more viable ano..." Eh mabuti na 'yong ano sir, 'yung --- para matapos na itong... Talagang galit ako sa mga mayaman na walang hiya.

Ito may isang kwento ako. I don't know if he's guilty or not or reliable. I'm talking about Faeldon. Alam mo si Faeldon was the one who tipped me doon sa sigarilyo. And how much did we earn there?

Pero may ilabas ako na ano --- may ilabas ako na 'yung nakuha ko noon. Ito 'yung isa, si [Desierto?]. He is being pressured. Ilabas daw niya si Yang. Sabi ko, "Go ahead." Hindi ko man pinsan 'yan. Am I my brother's keeper?

Nakilala ko lang 'yan when he went to Davao 15 years ago to... Wala pa 'yang droga-droga. So hindi ako maniwala niyan and besides si...

I don’t know what's his connection but every time na may mabigat na --- he's there.

Sabi ko nga kasama palagi 'yan ni Ambassador Zhao. You would think Ambassador Zhao with his 10,000 walking Chinese here, magpayag siya na matulog sa bahay ni... Kaya sabi ko, about 10,000 of them, all you know.
Tapos 'yung sabi ko, I did my best. I was talking to Sison. Ayaw niyang aminin. Pina-analyze ko sa military sabi ko sinasauli ko sa iyo, analyze it, give me. Sabi niya, "You know, mayor..."

And why should I not believe my military? Eh 'di doon na lang ako sa komunista mag-konsulta. Sinabi nila sa intelligence, "Sir, this is a coalition government. JASIG." Tapos 'pag tap --- [Sa Bisaya, tapuki.] --- you group it into one. Maybe try to make a paragraph of what are the demands.

It turned out to be at least --- at least a coalition government lalo na sa economic. Inosenteng pagka-ano. Economics eh. "Mahirap 'to," sabi ko. So hindi kami nagkaintindihan.

Sabi ko, "I do not want to talk to you because I cannot give you what I do not own.” That is the sovereignty of the Republic of the Philippines. Iyon ang isa diyan.

Sabi ko nga I said in this --- I'm ready to go down. My honor, my life, and my...

Nobody but nobody can question my loyalty to my country. T*** i** hindi ko talaga... Lahat. Mabuko ka sa akin 'pag ano. When it comes to the interest of my government interest pati country, huwag kayong matakot diyan, I will... You can shoot me anytime if I become a traitor.

Wala ho ako diyan. Stealing people's money. I've been mayor for... Wala akong history sa Davao na 23 years akong nag-mayor. All transparent.

Sid Lapeña. Si Sid 'di lang masyado ano. Si Sid nalusutan 'yon. Pero sabihin mo si Sid mag-payag na ano, bakit ka... Kung gusto mo mag-pera, bakit ka diyan sa shabu? 'Di 'yung iba na lang. Bakit ka man diyan mag...?

Iyong mga tao naman walang ginawa kundi maghanap ng pera kulang na lang manghold-up. Kaya di ako naniniwala diyan. Siya 'yung nag-ano ng... We earned --- we will earn about 40 billion there. Nagbayad na. So pera na 'yan. Iyong iba, ayaw ko sabi ko you...

Kagaya 'yang Mile Long, that's plunder. They should remember that. Maya-maya nabakukang ng ulo ito si Calida. Si Calida naman mainit talaga sa kanila 'yan. Mainit talaga 'yan sa Yellow.

Ngayon, si Calida. Calida pinsan ni Josefa 'yan Edralin Marcos. Siyempre 'yung ayaw ipalibing, talagang nasasaktan. At saka water under the bridge na 'yan. Kaya pagdating sa akin, I decided the controversy not to favor Calida but sticking to the law.

It's a soldier or and/or a president. On both counts, he might have been a lousy soldier or a good one, that is for history to find out. But definitely, Marcos was president and a soldier. So legally talagang ibibigay ko.

No choice, I have to be on the legal side. Iyong kanila kasi they keep on digressing on anong ginawa ng ano. This is not to defend the Marcos. I was not...

Well, if you must know, my father was a Cabinet member of Marcos during his first term. Because he was the only one and another two guys from Mindanao na governor who stuck it out with the Nacionalista. Everybody went to Macapagal. Ganun ang style ng politika.

Just like now, nag-PDP lahat tapos ngayon nag-uwi --- nagsi-uwian sa mother unit nila. Ganun. But earlier puro PDP.

Kaya ako masyado lukewarm ako because I know the... Let me look for the... There's a nice word for that. Hindi naman insulto but vagaries of life. It's the vagaries of life. So 'yun ang...
But --- okay now ganito. Coup d’etat. Tanungin ko kayo, ano ba ang kasalanan ko be? Tell me. Tell me what is missing.

Just talking to them, idioto. Walang alam sa international law. Wala talagang --- puro ano. Just imagine, International Court, Criminal Court --- International Court of Justice, UN 'yun. Ito, it’s a creation of EU. International Criminal Court, ‘yun International Court of Justice 'yung sa UN.

They organized, created a body there, appointed all the judges and prosecutors, wala tayong kasali tapos ngayon maghanap ng mali dito. Gusto ako ipa-presyo ng walang hiya.

Kaya ako sinabi ko 'yang p****** j**** itim na 'yan sampalin ko 'yun. What’s your business coming here? O tingnan mo si Trump minura rin sila. Sabi niya si Trump, “P****, hindi ako miyembro ninyo ha. Huwag mo akong...”

Tingnan mo talaga itong --- I had this defense. I was investigated by Alston, rapporteur, no charges. I was investigated by De Lima when she was the commissioner of human rights, no charges. Wala.

Then I was investigated by De Lima when she was Secretary of Justice, no charges. When she was a senator, they investigated me, no charges. Ngayon, violator ako ng human rights, eh ‘di sana dinemanda mo ako. Ilang beses ninyo ako na inimbhestiga. So tingnan mo si De Lima.
Ngayon, before the international crowd she’s a Joan of Arc. Anak ng p*** gina --- binibigyan pa ng medal of valor. Pagka bugok nitong mga p***** i** 'to uy. Patawarin sana sila ng...

Kaya kung dito 'yan sila sa Pilipinas, sinalvage ko na 'yan. [laughter] Anak ng p***** j** Oo. Barilin mo 'yang p***** j** 'yan. Walang gud ka-kwentaw-kwentang...

Ang chairman nila 'yung kaibigan --- kapatid ng kaibigan niya na King of Jordan. Nag-issue ng statement. Pinsan pala. [Pinsan ba, sir?] Pinsan ng King of Jordan. Iyon ang chairman ha. Autocratic country, not democratically installed. Autocratic 'yan king. T**** j** niya. Ilagay mo 'yan diyan siya --- you placed him in... What's happening to you?

Itinago ko lang ‘yun. Wala --- ni walang isang abogado dito nagsabi, honestly, tanungin mo ‘yang sila, tanungin mo. Ako tahimik lang ako.

Itong iba na --- alam mo ayaw kong... You cannot arrest a sitting president, immunity from suit. Sabi ko ako tahimik lang ako.

Pero nung ininsulto na ako ng u*** kasi pala doon nagpunta ako sa Jordan. Nasunog ‘yung ano ko. Kainit ng y***. P***** j** sabi niya, “Do not mind that relative of mine. He’s a screwed…”

Sabi ko ikaw pigil-pigil kasi nakaganti sana ako sa... “Huwag mong ano kasi bigyan tayo ng dalawang helicopter.”

Pagdating doon dinisplay (display) talaga ‘yung dalawang Cobra. Sinabi pa doon sa chief of staff, dagdagan mo pang isa, kaibigan mo, ah da pa isa. So
nakita na namin ‘yung chopper. So nagte-training naman ‘yung mga piloto natin baka next year madala na ‘yon.

Sabi ko, you know --- I don’t know if I mentioned it. I’m... no person --- it applies to military and the police --- no person shall be deprived of life, liberty, or property without due process of law. Nandyan na ‘yan. It’s the Constitution.

Tapos ito ngayon sa akin. Erap signed the Rome Agreement. Ipinadala sa Congress, Congress gave its concurrence. Correct. Kumpleto na sana. But for the fact na galing Congress ibalik mo sa akin ‘yan because I have the duty to publish it in the Official Gazette.

It is only when there is a publication of the law, especially criminal law that everyone, that every Filipino is put on notice na may batas. Constructive ‘yan. Constructive presumption na ‘yan. Official Gazette eh. If you do not publish it, there is no law at all.

Ang ginawa nila after Congress, instead of returning it to me, dinala na kaagad sa Europe, doon sa Rome. Inattach na kaagad nila. Well, I did not say anything.

Tapos nag-sige sila EJK-EJK. Sinabi ko, you cannot acquire jurisdiction over my person. Not in a million years. Why? Because I was --- you violated my rights. No person shall be deprived of life, liberty, or property without due process of law.

What is lacking in this process? You did not publish it. So you violated no person shall be deprived of life, liberty without due process of law.

Kaya kayo kung mademanda kayo --- ito si [Connie?] mademanda ka extrajudicial killing, huwag kang matakot. Kita abogado ‘pag wala --- pag convicted pa rin, ‘yun si --- saan na si Medialdea? Si policeman, si Año. Sir, gawaan mo ng pardon. Restored to full civil and political rights and promoted to next in rank.

Ah light colonel ka na. Sige, fight tayo. Sinong --- sino? Demanda kayo kay pagbaba ko, “pardon is extended to Rodrigo Duterte for crimes against humanity, signed Rodrigo Duterte.” [laughter]
Daghang salamat sa inyo.

--- END ---
