MESSAGE

In the name of Allah, the Most Gracious, the Most Merciful, I join our Muslim brothers and sisters in the solemn observance of **Eid'l Fitr**.

As you mark the end of a month-long journey of reflection, prayer and fasting, may Allah continue to instill in you the virtues of generosity and compassion for others. This joyous occasion celebrating personal sacrifice and unity is made more relevant as the country makes a significant step closer to beating the COVID-19 pandemic.

May this event also inspire us to continue promoting peace, unity and goodwill among our fellow Filipinos. Let us welcome a new hope that this Eid brings—for peace, prosperity, healing and strength as we build a progressive and brighter future for our people.

I wish you a blessed and joyous celebration! Eid Mubarak!
